THOMAS THE TANK ENGINE

Licensed ride based on Thomas & Friends™

ONE SEAT RIDE

This colourful seat enables the customer to sit comfortably and safely on Thomas the Tank Engine. This one seat, coin operated children's ride will be a high earning addition to any retail environment.

PLUG AND PLAY

Thomas the Tank Engine children's ride is equipped with the 'Plug & Play' feature which enables the ride to work perfectly when first used or connected.

THOMAS THE TANK ENGINE THEME TUNE

Be transported by the cheeky little engine as he gets into scrapes with the theme tune from the animated series.

SOUND EFFECT BUTTONS

This exciting ride is aimed at the 3-7 age range and features on board sounds. Bright coloured sound effect buttons engage the audience and encourage them to interact with the fun ride. This ride encourages children and their friends to have lots of exciting journeys playing together and to learn about discovery.

SELF COLOURED FIBREGLASS

The ride is manufactured in self coloured fibreglass to give a durable finish.

EXCITING FEATURES

You can meet Thomas & Friends™ by watching the on board optional video screen which shows clips from the classic children's TV series.

BENEFITS TO THE SITE OWNER

Installing a Photo-Me Kiddie Ride provides substantial revenue at no additional cost. Our rides encourage parents with young children into retail environments and therefore increase shopper footfall.

Rides can also help reduce the stress of shopping with young children. By creating a child friendly environment, parents are more likely to stay longer at retail as they combine shopping and entertainment.

A ride can also help to increase sales of associated merchandise within the store. This ride will be a colourful addition to any retail environment and will keep your customers coming back!
