HANK'S VAN RANGE

A beautiful range of rides for when space is limited

TWO SEATS

Hank's Van range are two seater rides. The rides enable the customer to sit comfortably whilst enjoying the gentle rocking motion. These colourful, coin operated children's rides will be a high earning addition to any retail environment.

PLUG AND PLAY

Hank's Van range are equipped with the 'Plug & Play' feature which enables the rides to work perfectly when first used or connected.

DIGITALISED SOUND EFFECTS

Hank's Vans are equipped with digitalised sound effects to help capture the child's imagination. The Ice Cream Van and the Hot Dog Van feature 7 sound effect buttons each. The Storyteller Van features 6 sing-a-long nursery rhymes.

RIDE MATERIAL

The vibrant rides are manufactured in self-coloured fibreglass to give a durable finish.

EXCITING FEATURES

Hank's Van range feature a rolling road display, sound effect buttons, an interactive game and a gentle rocking motion. There is an option to have customisable graphics as well as customised sound effects. The rides are aimed at 3-7 year old children.

BENEFITS TO THE SITE OWNER

Installing a Photo-Me Kiddie Ride provides substantial revenue at no additional cost. Our rides encourage parents with young children into retail environments and therefore increase shopper footfall.

Rides can also help reduce the stress of shopping with young children. By creating a child friendly environment, parents are more likely to stay longer at retail as they combine shopping and entertainment.

A ride can also help to increase sales of associated merchandise within the store. This ride will be a colourful addition to any retail environment and will keep your customers coming back!
